Kalamazoo
RESA

*Enhancing your
school and community*

MISSION STATEMENT

The Kalamazoo Regional Educational Service Agency provides innovative and responsive educational services to educators and learners through leadership, collaboration and support.

STATEMENT OF PURPOSE

The Kalamazoo Regional Educational Service Agency is committed to providing educational support services for all students in public and non-public schools. Kalamazoo RESA provides leadership and acts as a proactive force in education.

Kalamazoo RESA is a communicator, a facilitator and a partner working with our local community, state legislature and the State Department of Education.

Kalamazoo RESA receives its legal authority from the state legislature and the state board of education, but it receives its credibility by serving the educational needs of the community, and ultimately, the students.

The number one goal of Kalamazoo RESA is service.

NONDISCRIMINATION NOTICE

It is the policy of Kalamazoo Regional Educational Service Agency that no discriminating practices based on gender/sex, sexual orientation, race, religion, height, weight, color, age, national origin, disability or any other status covered by federal, state or local law be allowed during any program, activity, service or in employment. The following positions at Kalamazoo RESA have been designated to handle inquiries regarding the nondiscrimination policy. Human Resources Administrator, Karey Watson; Assistant Superintendents: Margaret McGlinchey & Laurie Montgomery. Contact information: 269-250-9200, 1819 E. Milham Avenue, Portage, MI 49002.

KALAMAZOO REGIONAL EDUCATIONAL SERVICE AGENCY

Our Number One Goal is Service

The Kalamazoo Regional Educational Service Agency is a link between all Kalamazoo County schools and the State Board of Education. Kalamazoo RESA is charged with providing educational support and regulatory services to all schools within its boundaries and acting as an educational leader in southwest Michigan.

Kalamazoo RESA programs and services include:

Administrative/Fiscal Services

Kalamazoo RESA provides fiscal and administrative services for all countywide programs and to our local school districts. These services include business services, state reporting, state and federal auditing, statistical information, fiscal planning, and management of state and federal grants and projects.

Early Childhood Education (Great Start Programs)

Early On: Early On services are available for children from birth to three years of age who have a minimal degree of developmental delay. A Family Service Plan outlines the priorities for each family and identifies appropriate services. Services are provided to meet the needs of the family through community agencies or through Early On staff.

Family, Infant, Toddler (FIT): This early intervention program serves families with children from birth to three years of age who have been identified as having an area of special educational need such as developmental delay, autism, physical challenge, hearing or visual impairment or severely/multiply impaired. This program serves families from Kalamazoo County through home-based services.

Ready, Set, Succeed! (RSS): This free, fun and rewarding program is designed for all parents of children ages 3 and under who want to see their children succeed in school and in life. Parents can choose from a “menu” of parent and child playgroups, child development screening and monthly contacts to design a program that meets their schedule and the interests of their family.

Great Start Plus: For families with children birth to 3, that may be at risk, are fostering young children, are teen parents or qualify for WIC and Medicaid, weekly home visits are provided to assist parents with child development, parent skills, and referrals to supportive resources.

Education for the Arts (EFA)

EFA is a countywide program developed to enhance arts education for all students, grades K-12 in Kalamazoo County. EFA is founded on collaborative relationships with the schools, the arts community, and business and philanthropic interests in the area. All EFA initiatives, Excellence in the Arts and Arts for All, are designed to complement or enhance, not replace, existing arts programs in the schools.

Education for Employment (EFE)

EFE has been recognized nationally as an exemplary career preparation program. EFE helps students prepare for their future with practical experience and hands-on training. Any Kalamazoo County high school student attending public, non-public or home schools can enroll in an EFE course. Please visit our web page at www.kresa.org/efe to learn more about EFE.

Hearing Impaired Services (HI)

Kalamazoo RESA offers a continuum of programs and services for students with hearing impairments within our regional educational service area to meet student's individual needs. Teachers and teacher consultants who specialize in hearing impairments, an audiologist, and speech and language therapists work collaboratively with hearing impaired students, their families, and other school personnel to provide appropriate services, materials, and equipment.

Instructional Center

The Instructional Center, working in collaboration with state agencies, universities and other intermediate school districts, is involved in all aspects of curriculum and instruction, focused on assisting local districts and school buildings in improving and enhancing student achievement.

The Instructional Center provides services and support to schools and school districts in the region, in all areas of: school improvement, professional development, data analysis, leadership development, instruction, curriculum, state and federal mandates and cross district and regional collaboration.

Juvenile Home Schools (JHS)

The Juvenile Home Schools provide educational services for adjudicated youth from Kalamazoo County. The JHS have two components. The Youth Center School (YCS) serves youth that are currently detained in the Kalamazoo County Juvenile Home. The Intensive Learning Center (ILC) serves youth that are placed in the school through court order, but remain living at their home or in foster placement.

Lakeside School

Lakeside School provides educational services to students in a residential program, Lakeside Academy. Students are placed at Lakeside Academy by outside agencies throughout Michigan and other states. Students are in grades 6-12.

Michigan Collaborative Administrative Solutions for Education (MiCase)

The Michigan Collaborative Administrative Solutions for Education (MiCase) Consortium was started with the vision of addressing information systems needs for school districts in Michigan. MiCase provides Financial Accounting, Human Resources, Payroll and Student Information systems to schools in 15 counties throughout Michigan. In addition to these applications, MiCase provides discounted services on third party applications for Instruction, Library Management, Records Management, Time & Attendance, and Online/Virtual Learning. Support for consortium applications is provided by staff at Kalamazoo RESA and Van Buren ISD.

Planning/Monitoring/Data Collection and Medicaid Coordination

Coordination of continuous improvement monitoring of special education programs and services operated by local districts or by Kalamazoo RESA is provided. All data for state and federal reporting as requested by the Department of Education are collected, reported and otherwise managed by this office. Program planning, dispute resolution and complaints related to state and federal regulation are coordinated by this office and reported. Additionally, phases of Kalamazoo RESA's participation in two Medicaid programs are also administered within this division office.

Preprimary Evaluation Team (PET)

The Preprimary Evaluation Team provides comprehensive multidisciplinary evaluations to determine special education eligibility for all children who are under the age of 6 and have not started kindergarten. This service is provided to all districts within Kalamazoo RESA and requests for evaluations are received from parents, school preschool programs and community providers.

Psychological Evaluation/Consultation

Kalamazoo RESA has a joint project with Kalamazoo Community Mental Health Services and provides comprehensive psychological evaluation services for children with intensive needs in both the mental health and school systems. This service provides evidence-based information to aid in a collaborative approach to mental health and academic planning.

Regional Educational Media Center (REMC 12)

The state of Michigan is divided into 22 REMC Regions. REMC 12's service area includes school districts in Barry, Kalamazoo and St. Joseph counties and parts of Van Buren County. REMC 12 offers to its members instructional technology and data leadership and training, a technology and media library, teacher material center, full-service printing, bindery, graphic design, regional inter-school delivery service, digital document management, and shredding. Through the statewide REMC organization, REMC12 members also enjoy access to a variety of valuable resources such as digital video streaming content, cooperative bidding/purchasing, online learning and professional development opportunities for teachers, as well as a variety of online learning opportunities students.

Teacher Materials Center: A resource center available to educators to create a wide array of classroom projects. Services include over 900 Ellison/AccuCut dies, an extensive variety of art papers and materials and an artwaxing machine. The center also has an oversized 40" 5 mil laminator, two 25" laminators and a full-color, photo-quality poster printer. The media lending library contains over 8,000 educational DVDs, VHS tapes and kits.

Regional Transportation and Safety Institute (RTSI)

RTSI provides training and management consultation services in pupil transportation to 130 schools in a consortium of 9 intermediate school districts.

Special Education Services

All children in Kalamazoo County qualify for assessment and evaluation of disabilities, or suspected disabilities. Students with disabilities can receive direct instruction, consultation and/or therapy beginning in infancy, and, if necessary, continuing to age 26.

Services for Students with Autism Spectrum Disorders in Local Districts

Teacher consultants who specialize in Autism Spectrum Disorders support the local district staff through team-building, teaching, modeling and collaboration.

Technology Services

The mission of the Kalamazoo RESA Technology Services Department is to enhance learning through providing innovative and reliable technology support for Kalamazoo RESA and schools in our region. We provide Internet access, managed IT infrastructure services, IT staffing, network engineering support, server hosting, offsite backup and disaster recovery services, email filtering and archiving, web design and hosting of regional technology meetings and collaborations.

Transition Services

Transition services facilitate the shift from school to adult life for students with disabilities. The areas of employment, post-secondary education, adult living, and community participation are covered by transition services and are addressed to help support students in reaching their desired post-school goals. Examples of transition services at Kalamazoo RESA include: informational sessions for parents and teachers, professional development for teachers and staff, relationships with/linkages to adult community agencies, individualized transition planning with staff and families, and participation in Michigan's Transition Outcome Project.

Valley Center School

Valley Center School is a Kalamazoo RESA-operated program that delivers special education services to students with emotional impairments or unique behavioral needs. Referrals are accepted from all our constituent districts via the LEA Director of Special Education. Once enrolled, our goal is to enable students to return to their local districts and/or function better in their communities.

Visually Impaired Services (VI)

Kalamazoo RESA provides teacher consultants/specialists who specialize in visual impairments as well as orientation and mobility specialists and Braille/ media specialists who plan, coordinate, and implement services for visually impaired students within the regional educational service area to meet student's individual needs. They work with students with visual impairments, their families, and other school personnel in order to provide appropriate services, materials, and equipment.

WoodsEdge Learning Center

WoodsEdge Learning Center is a Kalamazoo RESA-operated program that provides classroom services for students with autism, severe cognitive and multiple impairments (ages 3 through 26). We also have satellite classrooms for students with autism located in Portage, Parchment and Schoolcraft Public Schools.

Classroom instruction focuses on the individual needs of the child as determined by their IEP's. Included within each plan may be services from any of the following disciplines: Occupational Therapy, Physical Therapy, Speech and Language, Psychology, Social Work, Nursing, Hearing Impaired Consultation, Visually Impaired Consultation and Adapted Physical Education.

Young Adult Program (YAP)

The Young Adult Program (YAP) provides developmentally disabled 18-26 year olds with the necessary tools to learn skills to make a successful transition into a meaningful and more independent lifestyle.

Youth Opportunities Unlimited (YOU)

YOU assists at-risk, economically disadvantaged youth and adults in completing their education, finding employment, and becoming self-sufficient through a variety of programs.
