

EFA - DancEXperiment Lab

- **LEARN, CREATE and PERFORM** a variety of alternative dance/performance styles such as flash mobs, site specific choreography, public performance art, gallery performance.
- **DANCE:** Learn the basics of dance technique to improve your movement skills.
- **CHOREOGRAPH:** Explore the elements of Body-Energy-Space-Time as they relate to choreographing dance movement. Work with your classmates experimenting, improvising and creating movement/dance for site specific performance.
- **PERFORM:** Take dance performance out of the theatre and onto the streets, into public buildings and public events.
- **COLLABORATE:** Work with other EFA instructors and students who work with video, visual media arts and music.
- Fulfill **GRADUATION** requirements for Fine Arts credit and/or PE credit
