Kalamazoo RESA Programs

Our programs serve educators and families from cradle to career. Through collaboration and countywide partnerships, we provide cost-effective programs and services in several categories, such as:

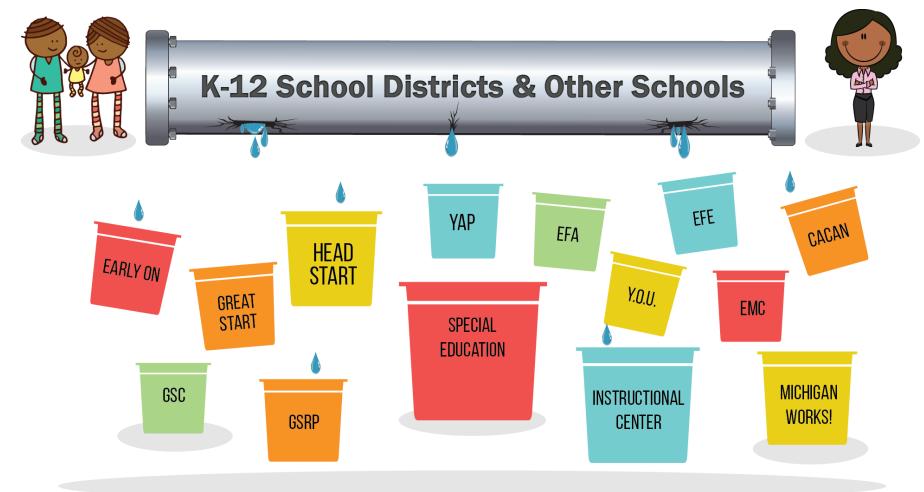

- Early childhood
- Special education
- Career and technical education
- Professional development
- Business and technology services

We do all that, and more! The next slides provide an overview of our programs. Numbers and statistics are based on information from the 2014-15 school year.
