

**Wednesday, August 11, 2021**

Kalamazoo RESA Service Center  
 1819 E Milham Ave, Portage

## Say hello to Xello!

A software that helps students in grades 6–12 create their very own, unique roadmap for future success.

### TWO OPPORTUNITIES TO INCREASE YOUR UNDERSTANDING AND USE

(Open to School Administrators, Curriculum Directors, Counselors, Teachers & Career Leads)

#### **Xello 101**                      **8:00 – 11:00 am**

An introduction and general overview of the Student Experience and their journey into self-knowledge, exploration, and planning. Then we'll take a look at the educator platform to see tools, features and reports that will make tracking your students' progress a breeze!

#### **Xello 201**                      **12:00 – 3:00 pm**

A deeper dive into the Student Experience, their assessment results and determining fit, and timeline experiences. Then to the Educator Tools for designing reports that make sense for your district, reviewing the family portal and built-in college planning tools for every Junior and Senior.

- **Choose to attend either one or both sessions when you register [HERE](#).**
- **This is an in-person / hands-on XELLO 101 and 201 Training.**
- **Please bring a laptop computer if possible, otherwise there will be some available.**
- **Lunch will be provided between workshops from 11 – 11:30. RSVP on registration form.**
- **Sign in for SCHECH's and LOG in as you arrive to test your device(s) AND Xello login!**
