School Mission

Our mission is to provide a high quality education and life skills for all students.

Philosophy and Approach

We believe in the transformational power of education and embrace a philosophy that values each student as an individual who can and wants to learn.

Our approach honors the choice students make to attend class, enables them to recognize their ability to learn, and celebrates and builds on their successes. These values transform students' outlook on learning, helping them develop self-esteem and envision new opportunities for their future.

About Youth Advancement Academy

The Youth Advancement Academy offers a “best practices” program for expelled, suspended or court-ordered adolescents in the area served by KRESA. The Academy works with the court system, parents and legal guardians, local law enforcement agencies and area social service agencies to focus on the needs of this unique group of students who are traditionally underserved and overlooked. YAA meets all state and federal mandates for a strict discipline academy and all curriculum and assessment guidelines of the state.

Enrollment Process

Students must be **officially expelled** from a high school in order to be eligible to attend **OR** they must be court ordered with documentation. Students can enroll in the program at any time throughout the academic year.

Parents should contact Youth Advancement Academy to set-up an intake interview. The intake interview is the first and most important step for our students. It is, therefore, absolutely critical that the intake take place with both the parent and the student. This meeting gives the parent and student an opportunity to meet the staff, tour the facility and to fill out enrollment forms detailing pertinent student and parent/guardian information. Most importantly this meeting sets the expectations and goals to ensure student success.

All students (former and new) will participate in the intake process yearly. The following documents are needed in order to conduct the intake interview: Birth Certificate, Social Security Card, and Immunization Record. Students who have attended in the past should check to see if records are needed.

Immunization Policy

Students must be current with all immunizations required by law or have an authorized waiver from State immunization requirements. If a student does not have the necessary shots or waivers, the Center Director may remove the student or require compliance with a set deadline. This is for the safety of all students and in accordance with State Law. Any questions about immunizations or waivers should be directed to the School office.

Session Times

7:00a.m. – 11:45 a.m. First Session
11:45a.m. - 4:30 p.m. Second Session

Session times may be switched at the request of the student/parent/guardian or at the discretion of the center staff. Accommodations to change sessions will be done based on availability.

All YAA students follow Individualized Achievement Plans (IAPs), which are tailored to the specific educational needs of each student.

Senior pictures are the responsibility of the student and parent/legal guardian.

Privacy of Records

The Family Educational Rights and Privacy Act of 1974 explains the rights and responsibilities of students, parents and the school regarding permanent student records. The purpose of the Act is to give parents and students knowledge and some control over what information is kept in the student's permanent record.

A procedure has been developed and approved by the Board of Education to implement this Act.

Tornado Watch/Warning Policy

Students will remain in session during a Tornado Watch, a Tornado Warning or Severe Weather Warning. Building administrators will be notified in the event of potential Severe Weather and appropriate precautions will be taken. If, at the regular school closing time, a tornado warning is in effect for the immediate area, school **will not** be dismissed until the warning is lifted.

Students may be picked up at the school by their parents, if parents come to the center to request their dismissal. No student will be released to a person other than his/her parent/legal guardian except by specific request from parent/legal guardian.

Extracurricular student activities will be canceled in the event of a tornado watch or warning. In the event of a warning, if the activity is in progress, appropriate measures will be taken to ensure the safety of the students.

Transportation

The YAA Board of Education will provide bus tokens for all students. Bus tokens are purchased from the Kalamazoo Metro Transit and school expectations are to be followed from Door to Door.

- If students lose bus privileges students are then responsible to provide other means of transportation.

STUDENT CONCERNS, SUGGESTIONS, AND GRIEVANCES

The academy is here for the benefit of the students. The staff is here to assist each student in becoming a responsible adult. If a student has suggestions that could improve the school, s/he should feel free to offer them. When concerns or grievances arise, the best way to resolve the issue is through communication. No student will be harassed by any staff member or need fear reprisal for the proper expression of a legitimate concern. As with suggestions, concerns, and grievances may be directed to the principal or to the student government. A student may have the right to a conference if the student believes s/he has been improperly denied participation in a school activity or has been subjected to an illegal rule or standard. A student may not petition to have a change in grade.

DISCIPLINARY ACTION AND PROCEDURES

The Youth Advancement Academy has a set of expectations regarding student conduct so that the school operates efficiently and effectively for the benefit and safety of the staff and students. Conduct that interferes with the operations of the school, is threatening or inappropriate will not be tolerated.

The Academy endorses a policy of progressive discipline where students are informed of issues and given an opportunity to improve. Progressive discipline may be used to address either the same recurring issue or a series of unrelated issues. Steps in this process may include, but are not limited to: counseling, reassessment of academic placement, parent meeting, recommitment to program, temporary removal, administrative review, or termination from the program. In cases of serious violations of standards of conduct, progressive discipline may not be used and the disciplinary process will occur in at any level appropriate to the circumstances.

The Academy's ultimate goal is to provide students a quality education in a safe environment and this is achieved through meeting the standards of conduct.

NOTE: This handbook does not contain every rule or policy of the school. Rules, policies, procedures, and/or activities are subject to change during the school year, with sufficient notification to students. Students should notify their parent/legal guardian appropriately.

Persistent Violations: Student Conferences

When a student has received excessive nonacademic referrals in any school year, the parent/legal guardian will be contacted and the School Director will convene a Re-Intake Meeting. All of the student's teachers, the student and his/her parent(s)/legal guardian and, at least, the administration will meet to discuss the student's future in the High School. A behavior contract will be written for the student as part of the conference.

Temporary Removal from the Center

When it is necessary for a teacher to remove a student from the classroom or other school facility because of behavior deemed unacceptable by the school, the student has demonstrated the necessary commitment to return the program.

- A school administrator may keep a student out of a class or classes due to serious misconduct or continued behavior problems.
- To re-enter the classroom, a parent/legal guardian conference will be required.

Administrative Review/Suspension

Students may be placed on Administrative Review or suspended after a serious violation of conduct occurs. The administrative team, with input from the center staff, uses this process to determine the student's continued enrollment at the school or within the program. The review period may last up to 10 days and students may not attend during that time.

- If the suspension is for a period of more than ten (10) days, the due process for expulsion will apply.
