

# MENTAL HEALTH HAS A NEW FACE...

*...it may not be the one you expect.*

**2nd.MD is here to help you face any mental health condition** you're dealing with and find the peace of mind you need.

From the moment you reach out to 2nd.MD, our caring and compassionate nurses will be by your side to support and connect you with an expert who specializes in whatever you're facing. We offer consultations from expert mental health specialists via phone or video chat from the privacy of your home.

## COMMON QUESTIONS INCLUDE:

- Am I on the right medication?
- Is it better for me to see a psychologist or a psychiatrist?
- What therapy options are best for me?

## YOU ARE NOT ALONE.
