

EFE EMT & DENTAL ASSISTING

Thank you for joining us tonight, we will get started right at 6:00 PM.

To help us keep track of who is attending, please type your first and last name and which school you attend into the chat box. If you are a parent attending for your student, please enter the student's name and school into the chat box.

If you have the orientation packet that was mailed to your house, please have it ready to refer to as we go through the material.

We will monitor the chat box through the evening and answer any questions that come up.

Welcome!

KV **Authorization for Release of Information
High School Dual Enrollment**

The Family Educational Rights and Privacy Act (FERPA) is a Federal law that protects the privacy of eligible students' education records. (An "eligible student" under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution.) Directory Information, including a student's name, address, telephone numbers, date of birth, enrollment status, enrollment dates, major and degrees earned, may be shared without consent unless the student has placed a confidential hold on their records.

Kalamazoo Valley Community College will not release information, other than directory information, without an Authorization for Release of Information signed by the student, unless it is expressly allowed within the act. Even with this authorization, Kalamazoo Valley is not required to release any information. Upon request of the designated individual or organization, Kalamazoo Valley will use discretion when determining what information may be released.

Information will only be released to authorized parents or individuals in person with photo ID or by written request. Based on established relationships and allowances within FERPA, communication with high school personnel and college coordinators will occur via their identified contact methods or address. Only the most recently signed authorization will be honored. Your authorization will remain effective for the dates you specify up to a maximum of one year or until you submit a written request to terminate this release authorization.
