

Career Connect High School Diploma Program

Are you looking for a flexible, personalized high school experience that prepares you for success in both your career and further education? The KRESA Career Connect High School Diploma Program is designed just for you!

Here's why our program stands out:

WHY CHOOSE OUR PROGRAM?

1. Personalized Learning:

- **One-on-One Teacher Meetings:** Receive individualized support from a dedicated teacher who will help you navigate your virtual classes and stay on track.
- **Customized Class Selection:** Work with your local high school counselor to choose courses that align with your interests and career goals through [Edmentum.com](https://edmentum.com).

2. Career and College Readiness:

- **Career Assessment:** Discover your strengths and interests with our comprehensive career assessments.
- **Career Roadmap & Coaching:** Get expert guidance on mapping out your career path and making informed decisions about your future.
- **Work-Based Learning (WBL) Internships:** Gain real-world experience through internships and apprenticeship connections tailored to your career aspirations.

3. Support for Future Success:

- **Post-Secondary Guidance:** Receive support and resources for continuing your education or training after graduation, whether it's college, vocational training, or other pathways.

HOW IT WORKS:

- 1. Enroll in the Program:** Get started by beginning the conversation with your high school counselor.
- 2. Meet with Your Counselor:** Collaborate with your local high school counselor to determine how the High School Diploma Program/Education ReConnection can work for you.
- 3. Connect with Your Teacher:** Benefit from regular one-on-one meetings with your teacher to ensure you're progressing and addressing any challenges.
- 4. Engage in Virtual Classes Through HSDP:** Complete your coursework through [Edmentum.com](https://edmentum.com), with flexible scheduling to fit your needs.
- 5. Explore Career Opportunities:** Participate in career assessments, receive career coaching, and gain hands-on experience through paid or unpaid internships.
