EDUCATION FOR THE ARTS

FUTURE
READY

KALAMAZOO RESA

Enhancing arts education for all Kalamazoo County students.

Education for the Arts strives to enhance arts education for all students in Kalamazoo County, making dance, literary arts, media arts, music, theatre and visual arts an essential part of a comprehensive education.

PERFORMING ARTS

Modern/Jazz Dance Studio—Explore modern, jazz and ballet dance techniques, in addition to other cultural dance styles such as hip-hop, African and Middle Eastern.

Intermediate Dance—Hone skills from a variety of dance forms including modern, jazz, African and hip-hop. Explore the elements of Body-Energy-Space-Time.

Integrated Dance/Health/PE—Earn a Health credit while exploring dance elements. Learn the basics of volleyball, soccer, ultimate frisbee, bowling, basketball, climbing and more.

“I don’t think I would be in the position I am today without EFA. When I got into EFA, I learned a lot of basic knowledge that you need to know in the media industry.”

*—Lydia King,
Freelance Video Production,
New York, NY*

Music Studio I—Develop basic skills in music theory and composition beginner’s class. Read music, gain basic music keyboard skills, discuss great performances. Broaden your historical and cultural understanding of music and create music in solo and small ensembles.

Advanced Music Studio—Further develop your music theory and composition skills in this advanced-level class. Build knowledge of scale construction, rhythm and harmony, chords and circle of fifths theory.

Advanced Musical Theatre—Sing, dance and act! Participate in duet, small and large ensemble performances. Create harmony, choreography and work with professional artists.

Theatre Improv & Scriptwriting—Create your own unique theatre experience. Study different forms of playwriting: Performance Poetry, Hip-Hop Theatre, Theatre Graffiti. Work with professional theatre artists to find and develop your voice as an artist. Expand your knowledge and learn the basic techniques of acting, playwriting and directing.

MEDIA ARTS

Film & Video Arts—Discover your filmmaking talents. Learn to use professional editing programs. Study and practice narrative, documentary and experimental film in this class. Enter film festivals and build a strong portfolio.

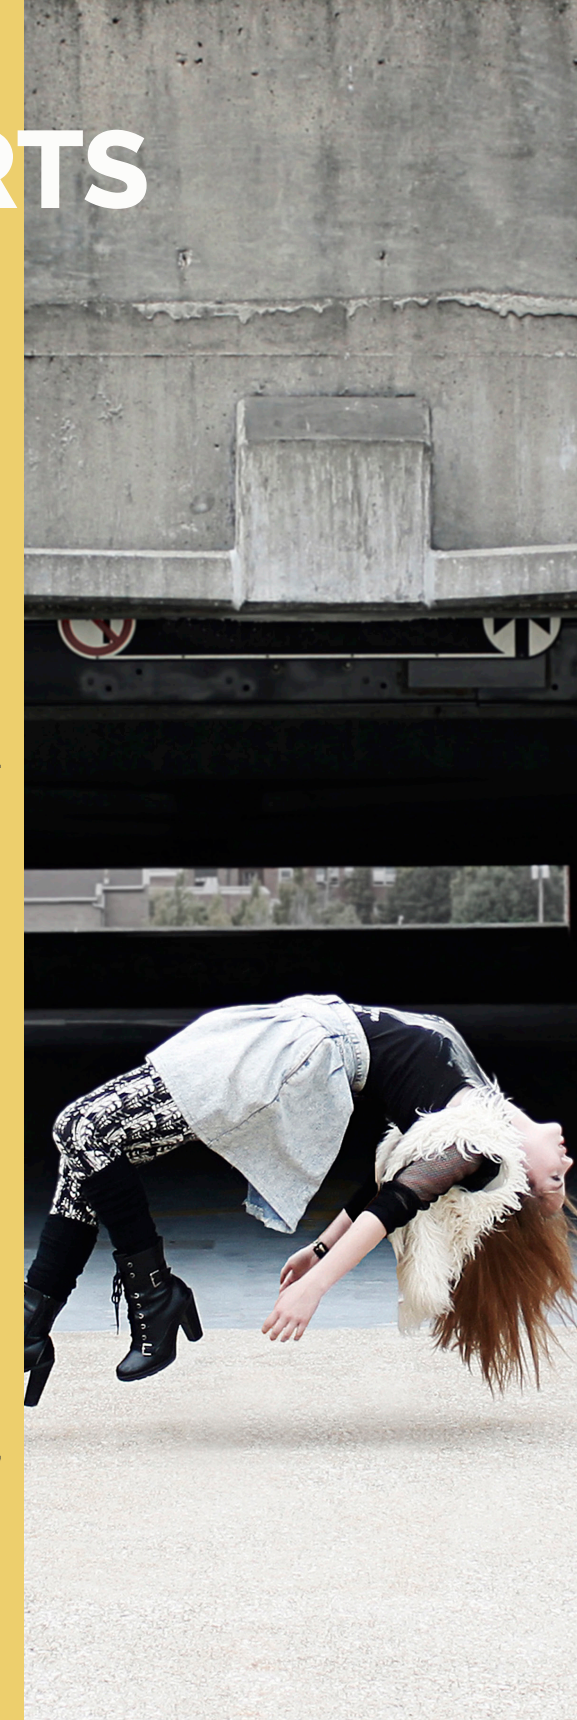

Advanced Video Arts Studio—Polish and perfect your filmmaking skills. Further explore professional editing and equipment techniques, and integrate these methods into your films.

Advanced Multimedia Arts—Expand and advance your knowledge of new technologies. Utilize video, music, sound, still images and interactive media to create artwork for the internet, interactive video, experimental film and new media.

Media Arts Creative Suite—Learn about digital media, computer animation and more. Explore design, photography, photo manipulation and composition. Experiment with a wide range of techniques while building a strong portfolio.
