

Kalamazoo Countywide Career and Technical Education Courses (CTE)
for Merit Academic Credit 2025-2026

Completion of any state-approved CTE program allows a student to substitute:

- 4th Related Math (All CTE courses approved for 4th related math credit by Kalamazoo County Curriculum Coordinators starting in 2022-23.)
- 3rd Science Credit (regardless of content)
- One World Language Credit
- Some CTE programs also allow for Visual, Performing & Applied Arts (see 3rd column below).

*For a completer of in-house trimester programs– see instructor. One trimester does not indicate a completed program.
