Congratulations on your acceptance in the CTE Health Science program for the 2024-2025 school year!

Kalamazoo RESA Career and Technical Education (CTE) invite you and your parent/guardian to attend an orientation highlighting next year’s CTE Health Science experience. Attendance is important so that we can explain the summer requirements to help prepare students for the fall and to review this program packet. We strongly encourage a parent/guardian to attend with the students. Please join us on:

Wednesday, May 15, 2024, at 6:00 p.m. on KVCC’s Texas Township Campus, Dale Lake Auditorium (see map on next page)

In this meeting, you will have the opportunity to:

• Meet the instructors and hear from second year students
• Learn about summer requirements to be prepared for the fall
• Learn about the program’s year-long expectations, dress code and logistics
• Learn how successful completion of the course can lead to future opportunities
• Tour the program
• Ask questions

The attached program guidelines will be discussed in detail during the orientation. Please review this packet thoroughly prior to and have it with you during orientation. There are summer requirements that must be completed before the fall. We also want you to be sure next year’s program meets your expectations before the school year begins.

Special Note:
You are receiving this packet because your name was provided to us by your school counselor as enrolling in a CTE program. If in doubt, check with your counselor. We apologize if this packet was sent to you in error.

Notice of Non-discrimination: It is the policy of Kalamazoo Regional Educational Service Agency that no discriminating practices based on race, color, national origin, sex (including sexual orientation or sexual identity), disability, age, religion, height, weight, marital or family status, military status, ancestry, genetic information (collectively, “ Protected Classes”) or any other legally protected category be allowed during any program, activity, service or in employment. The following individuals at Kalamazoo RESA have been designated to handle inquiries regarding the nondiscrimination policy: Tom Zahrt, Mindy Miller, & Isaac Carter. Contact information: 269-250-9200, 1819 E. Milham Ave, Portage, MI 49002.

| By June 1, 2024             | ✓ Apply and be accepted to KVCC
✓ Save your acceptance letter which includes your KVCC email and Valley #. You will need this to complete forms in this packet. |
| By early summer             | ✓ Schedule a doctor’s visit to complete the physical and immunization forms (pages 4 – 9) |
| August 27, 2024             | ✓ Attend class at KVCC’s Texas Township Campus. Bus hub transportation is available depending on school. |
| By August 29, 2024          | ✓ Submit **pages 4-13** of this packet to your instructor (see page 2 for more details)
✓ Be sure to include your Valley # on these forms. |
| Before 1st work-based learning experience (e.g. career shadow) | ✓ Take and successfully pass a *random* drug test, during class time, administered by a company approved by CTE. Students **do not** complete this on their own.
✓ Complete a background check conducted by CTE |

| By early summer |  □ Schedule a doctor’s visit to complete the physical form (page 4) and ensure immunizations are up to date (required for workplace observations). |
|                 | It is encouraged to schedule this appointment as soon as you receive this packet, so that you can meet the additional deadlines. **DO NOT wait until the last minute.** |

| August 27 |  □ CTE CLASS BEGINS |

| By August 30 |  □ Turn in pages 4-12 of this packet to your instructor. Be sure to keep a copy of all documents for your records. *Immunizations are not required to enroll in the course, yet they are required from our healthcare partners to participate in career shadows. Incomplete immunizations will limit opportunities and an alternative experience will be required.* |
|             | □ Immunization record – provide a copy of your MCIR – Michigan Care Improvement Registry record ([mdhhsmiimmsportal.state.mi.us](http://mdhhsmiimmsportal.state.mi.us)) |
|             | □ Influenza (flu) form (completed in the fall of 2024) |
|             | □ Physical must be good for the entire next school year (cannot receive any earlier than April of current year.) |
|             | □ TB form |

| Before 1st workplace observation | ✓ Take and successfully pass a *random* drug test administered by a company approved by CTE. Students **do not** complete this on your own. |
|                                 | ✓ Complete a background check conducted by CTE |
Please review the following program guidelines:

1. Students enrolling in the Career and Technical Education (CTE) Health Science program are committing to a full-year program located on Kalamazoo Valley Community College’s Texas Township Campus. (This program is not a KVCC program.)

2. Transportation to and from the program is a district decision. Questions about transportation need to be directed to the student’s high school.

3. Work-based learning will be arranged between the CTE instructor, the healthcare agency and the student. Career shadows will only take place if the student’s documentation is complete (see page 2) and on file at the time of scheduling. Opportunities may be scheduled outside of class time. Students are responsible for their own transportation to and from the experience.

4. As a CTE student in a Health Science program, the workplace partner may request student information. Upon request from the workplace affiliate, CTE may release information from the student’s file, including but not limited to: physical examination form, immunization records, drug screen results, criminal background check results, and proof of valid BLS certification.

5. This class involves clinical skills that can be physically demanding, i.e. performing CPR.

6. Upon conclusion of the school year, students need to return to their instructor all classroom and lab supplies.

7. The following contains general dress code guidelines that apply to classroom, laboratory, clinical, and/or professional areas. These expectations will be explained in detail during the first week of class.

- Official hospital dress code or the wearing of blue (ceil) scrub or hospital lab coat (provided)
- Closed-toed, closed-back, clean, polished shoes in good repair with socks. No lettering or graphic designs other than brand. Styles such as clogs, crocs without holes and mules with heel straps are acceptable.
- Clean, well-groomed, moderate colored nails kept at no longer than past the fingertips. Artificial nails and nail materials are prohibited for infection control reasons.
- The avoidance of heavy perfumes and colognes
- Shoulder length hair or longer must be tied back
- No dangling earrings. Stud inserts or piercings may be used for nose, lip or eyebrow piercings.
- Tattoos may not contain profanity, sexually explicit and/or discriminatory content, words or images. Tattoos containing such content must be concealed by clothing or band-aids where appropriate. Newly inked tattoos may be required to be concealed by band-aids as they are healing, for infection control purposes.

*Students may have additional expectations dictated by their career shadowing or clinical opportunities.*
This page intentionally left blank.
The typical demands placed on a health career student and practitioner are:

Strength - Frequently and repetitively, perform physical activities requiring ability to push/pull objects of more than 50 pounds and to transfer objects of more than 100 pounds.

Manual Dexterity - Constantly perform simple gross motor skills such as standing, walking, handshaking, writing, and typing; and complex fine motor manipulative skills such as calibration of equipment, drawing blood, endotracheal intubation, etc.

Coordination - Constantly perform gross body coordination such as walking, filing, retrieving equipment; tasks which require eye-hand coordination such as keyboard skills, and tasks which require arm-hand steadiness such as taking BPs, calibrating tools and equipment, holding retractors, probing periodontal spaces, etc.

Mobility - Constantly perform mobility skills such as walking, standing, prolonged standing or sitting in an uncomfortable position; move quickly in an emergency and maneuver in small spaces; requires frequent twisting and rotating.

Visual Discrimination - Constantly see objects far away, discriminate colors, and see objects closely as in reading faces, dials, monitors, fine small print, etc.

Hearing - Constantly hear normal sounds with background noise and distinguish sounds. Some examples include conversations, monitor alarms, emergency signals, breath sounds, cries for help, heart sounds, etc.

Concentration - Consistently concentrate on essential details even with interruptions, such as client requests, IVAC's, alarms, telephones ringing, beepers, conversations, etc.

Attention Span - Frequently attend to task/functions for periods exceeding 60 minutes in length with interruptions such as those mentioned above.

Conceptualization - Consistently understand, remember, and relate to specific and generalized ideas, concepts, and theories generated and discussed simultaneously.

Memory - Remember task/assignments given to self and others over both short and long periods of time as well as significant amount of patient data with interruptions and distractions.

Critical Thinking - Critical thinking skills sufficient for clinical judgment: making generalizations, evaluations, or decisions.

Communication - Interact with others in non-verbal, verbal and written form and explain procedures, initiate health teaching, and document care. Must be able to read, write, and understand written English.

Stress - Perform all above skills and make clinical judgments correctly when confronted with emergency, critical, unusual, or dangerous situations.

Summary Assessment - Circle appropriate responses. (Attach a separate sheet if necessary)

Considering this applicant's history and physical examination, are there any conditions, disabilities (including but not limited to communicable diseases which may be transmitted to others as a result of the applicant's participation in the CTE Health Science Educational Program), or limitations that could restrict the student's participation in a CTE Health Science educational program or limit subsequent employability?

Yes  No  Explain

Are there any accommodations necessary for this applicant?

Yes  No  Explain

Are there any special precautions, restrictions or conditions, which might result in an emergency (e.g., allergies, diabetes, seizure disorder, fainting, or other) in the classroom or during clinical practice?

Yes  No  Explain

Provider completed, conducted, reviewed and/or verified all sections of the physical exam form.

2-STEP TB FAQ’s

What is a 2-step TB skin test (TST)?

- Tuberculin Skin Test (TST) is a screening method developed to evaluate an individual’s status for active Tuberculosis (TB) or Latent TB infection.
- A 2-Step TST is recommended for initial skin testing of adults who will be periodically retested, such as healthcare workers.
- A 2 step is defined as two TST’s done within 1 month of each other.

What is the procedure for 2-step TB skin test?

Both step 1 and step 2 of the 2 step TB skin test must be completed within 28 days. See the description below.

STEP 1

Visit 1, Day 1

- Administer first TST following proper protocol
- A dose of PPD antigen is applied under the skin

Visit 2, Day 3 (or 48-72 hours after placement of PPD)

- The TST test is read
- Negative - a second TST is needed. Retest in 1 to 3 weeks after first TST result is read.
- Positive - consider TB infected, no second TST needed; the following is needed:
  - A chest X-ray and medical evaluation by a physician is necessary.
    - If the individual is asymptomatic and the chest X-ray indicates no active disease, the individual will be referred to the health department.

STEP 2

Visit 3, Day 7-21 (TST may be repeated 7-21 days after first TB skin test is read)

- A second TST is performed - another dose of PPD antigen is applied under the skin

Visit 4, 48-72 hours after the second TST placement

- The second test is read.
- Negative - consider person not infected.
- Positive - consider TB infection in the distant past.
  - The individual is referred for a chest X-ray and evaluation by a physician. An asymptomatic individual whose chest X-ray indicates no active disease will be referred to the health department.
TB TEST FORM
(To be completed by the Examining Provider)

Name: ____________________________________________________________

Valley ID #: V00 __________________________________________________

Program: __________________________________________________________

TUBERCULOSIS: Check appropriate box and specify date(s) and findings. Absence of active Tuberculosis is required and may be documented in either one of four ways:

1. ☐ PPD (Mantoux) 2-Step TB test
   Directions: Two PPD (Mantoux) skin tests need to be performed at least 7 days apart (and no more than 21 days apart) with documentation of each result. Each TB test requires two visits (4 visits total) as each test must be read 48-72 hours after it is placed.
   Date read and test results: Step 1 ___/___/___ Step 2 ___/___/___
   Month Day Year Month Day Year
   Result: ☐ Negative ☐ Positive

2. ☐ QuantiFERON Gold Blood Test
   Date read and test results: ___/___/___
   Month Day Year
   Result: ☐ Negative ☐ Positive

3. ☐ T-Spot Blood Test
   Date read and test results: ___/___/___
   Month Day Year
   Result: ☐ Negative ☐ Positive

4. ☐ If PPD, QuantiFERON or T-Spot is positive, evidence of a Chest X-Ray is required within the past three years.
   Date read and test results: ___/___/___
   Month Day Year
   Result: ☐ Negative ☐ Positive

Provider completed, conducted, reviewed and/or verified all sections of the TB Test Form:

TO: Prospect CTE Student
FROM: Diane Fort, CTE Assistant Principal Student Services
Kalamazoo RESA Career and Technical Education
RE: Student Drug Testing and Criminal Background Checks

Contracts with local healthcare agencies require Career and Technical Education students in health occupational programs to successfully pass a drug test before participating in a workplace observation or clinical experience associated with their program. CTE will cover the fee of the drug screen. This test is administered on a random date during class time, administered by a company approved by CTE. If a student’s initial drug test indicates further testing is necessary, the student may incur additional cost.

Another requirement from local healthcare agencies is students must complete a background check. Currently, the CTE office can conduct this check via the Internet Criminal History Access Tool (ICHAT). This method of investigation searches public records contained in the Michigan Criminal History Records maintained by the Michigan State Police Criminal Justice Information Center and fulfills the minimal requirement of the healthcare sites partnering with our programs.

If either of the above come back flawed, the student and their parent/guardian will be notified. Please read the following document and sign indicating your acceptance and agreement to CTE completing these program requirements. Students DO NOT complete the drug test OR background check on their own!

```
Career and Technical Education Health Careers Programs
Kalamazoo RESA

Drug Test Authorization Form

PLEASE PRINT CLEARLY
Student Name (Last, First, Middle): ________________________________

Date of Birth (Month, Day, Year): _______ / _______ / _______

I authorize facilities approved by Kalamazoo RESA Career and Technical Education (CTE) to conduct a drug screen for any drug, alcohol or substance requested by CTE, and to release those results to CTE. I acknowledge that I will sign any documents or authorization required. I understand that individuals who do not pass or refuse to take a drug screen will not be placed into a workplace observation and/or clinical experience and will be removed from any such opportunity if already placed.

I acknowledge that as a condition of workplace observation/clinical experiences with agencies collaborating with CTE, all students enrolled in health career programs are required to participate in drug testing. As a student in such a program, I voluntarily subject myself to such drug testing to take place as required during my enrollment.

I also understand and agree that if I am arrested for, or convicted of any drug or alcohol related offense, I will immediately inform my instructor. I understand that individuals who are arrested for or convicted of a drug or alcohol related offense, even if the individual has previously taken and passed a drug or alcohol screen, may at CTE’s discretion, not be placed into a workplace opportunity, or may be removed from any such rotation if already placed.

I authorize CTE to release the results of my drug screen to any hospital, facility or other partner healthcare agency which requests the results as a part of fulfilling my education/training requirements or assessing my qualifications for a workplace observation and/or clinical experiences.

VOLUNTEER BACKGROUND CHECK

Acknowledgment Form

*Nonemployment and Pre-Employment Background Checks*

Location: 

In order to ensure the protection of children in the care of Kalamazoo RESA, school policy requires, prior to any and all persons providing a volunteer service at the school or for any function conducted by the school; all potential volunteers complete a State of Michigan ICHAT and sex offender registry check. Any applicant declining to complete a “Volunteer Background Check” acknowledgment form will not be considered.

POTENTIAL VOLUNTEER INFORMATION

Full Printed Name: ________________________________

Maiden name or other name(s) previously used: ________________________________

DOB: ___________________ Sex: ________ Race/Ethnicity: __________

[mm/dd/yyyy]

HISTORY INFORMATION

1) Have you volunteered at Kalamazoo RESA before? ☐ Yes ☐ No

2) Have you ever pled guilty, or been convicted of a felony in a state or federal court?
   ☐ Yes ☐ No
   Date and State that the offense/conviction occurred:

   If yes, provide a detailed description of the conviction:

3) Have you ever pled guilty, or been convicted of a misdemeanor in a state or federal court?
   ☐ Yes ☐ No
   Date and state offense/misdemeanor occurred:

   If yes, provide a detailed description of the conviction (use back if necessary):

4) Are you the subject of a current criminal investigation or have pending charges against you?
   ☐ Yes ☐ No
   Date and state the investigation is ongoing:

   If yes, provide a detailed description of the investigation or pending charges:
Kalamazoo RESA reserves the right to “approve” or “deny” any volunteer service upon review of the background check returned. The determination will be based upon the individual’s fitness to have responsibility for the safety and wellbeing of children. Providing false information, or information contradicting to the background check information, is grounds for immediate volunteer denial.

By affixing your signature to this form you acknowledge your statements are to be true and give full consent to complete the requested background check.

Authorization for Release of Information
High School Dual Enrollment

The Family Educational Rights and Privacy Act (FERPA) is a Federal law that protects the privacy of eligible students’ education records. (An “eligible student” under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution.) Directory Information, including a student’s name, address, telephone numbers, date of birth, enrollment status, enrollment dates, major and degrees earned, may be shared without consent unless the student has placed a confidential hold on their records.

Kalamazoo Valley Community College will not release information, other than directory information, without an Authorization for Release of Information signed by the student, unless it is expressly allowed within the act. Even with this authorization, Kalamazoo Valley is not required to release any information. Upon request of the designated individual or organization, Kalamazoo Valley will use discretion when determining what information may be released.

Information will only be released to authorized parents or individuals in person with photo ID or by written request. Based on established relationships and allowances within FERPA, communication with high school personnel and college coordinators will occur via their identified contact methods or address. Only the most recently signed authorization will be honored. Your authorization will remain effective for the dates you specify up to a maximum of one year or until you submit a written request to terminate this release authorization.

Student’s Identification

Name: ___________________________  Middle Initial  Last

Valley Number: V  If Valley Number is unknown, provide your birth date: ____________

Reason for Disclosure

✓ Participation in the Postsecondary Enrollment Options Act (PSEO)

Information to be Released

✓ All Educational Records (including, but not limited to, the items listed below)

Or, specify individual records: (check all that apply)

Enrollment  Grades  Financial

□ Class Schedule  □ Grade Point Average (GPA)  □ Tuition, fees, payment and refunds

□ Number of credit hours enrolled in  □ Grades  □ Tuition Bill (includes class schedule)

□ Program of Study Plan  □ Unofficial Transcript

□ Other: ___________________________________________________________________

Effective Dates of Authorization

✓ Valid for one academic year beginning April 1, 2024 and ending with reporting PSEO participation to the State June 30 the following year.

□ Valid from this date: ___________________________ to this date: ___________________________

Note: The period cannot exceed one year.

Student’s Authorization

I authorize Kalamazoo Valley Community College to release the specified information to the individual or organization identified. This release remains in effect for the period defined above or until I provide a signed termination letter to the Kalamazoo Valley Admissions, Registration and Records office prior to that expiration date.

Signature: ___________________________  Date: ___________________________

Please indicate on the back of this form to whom the information can be released.
