

EFA Advanced 3-D Art

If you take this class, you will:

- **Work with a number of professional artists** in the studio facilities of the Kalamazoo Institute of Arts.
- **Have access to the galleries and library resources** of the Kalamazoo Institute of Arts.
- **Learn from professional artists** as they share their expertise in their medium with detailed demonstrations and one-on-one instruction.
- **Have available to you the proper tools, equipment and supplies** to create professionally finished works of art.
- **Expand your sculpting, modeling and casting skills.**
- **More thoroughly study design principles** to help you create interesting and unique works of art in the third dimension.
- **Learn what to consider when creating objects** to be viewed from all sides.
- **Create finished works of art** that will be included in an exhibition and may also be used in a portfolio presentation.
- **Learn how to professionally present your artwork.**
- **Participate in the preparation and installation** of an exhibition of your artwork and fellow classmates' artwork.
- **Experience an exhibition** reception of family, friends and the general public.
