Excellence in Special Education Awards

The Excellence in Special Education Award is sponsored by the Parent Advisory Committee (PAC) of Kalamazoo County to honor those persons who have gone above and beyond their role in educating and supporting students with an Individualized Education Program (IEP).

If you are a Parent, Guardian, Family Member of Student, you may complete the online nomination form at www.kresa.org/PACNomination or contact your local school district.

The online submission will automatically be sent to the KRESA Special Education office. Paper nomination forms can be turned in to the local district office. All nominations must be received to the KRESA Special Ed office by the second Friday in March to be considered for the current school year. Awards are presented at a spring KRESA board meeting.
