

KALAMAZOO RESA ASSISTIVE TECHNOLOGY TEAM

Spring 2018

AT Proposals are Due!

AT Proposals for the 2017 - 2018 school year will be accepted until Friday, April 20.

Looking ahead to next school year, if a district wishes to request Assistive Technology (AT) devices or programs through the Kalamazoo RESA Assistive Technology team, a proposal form must be completed.

The cost of the requested AT materials must be above \$500. Materials less than \$500 are the responsibility of the local districts. An AT proposal flow chart and sample AT proposal form are available to view on the [Kalamazoo RESA website](#).

Join Our Team!

The Kalamazoo RESA Assistive Technology Team is made up of representatives from Kalamazoo RESA and local school districts. The team meets monthly to discuss current AT proposals, plan trainings and professional development, and develop county-wide AT policies and procedures. We welcome new members who are excited to learn more about assistive technology and share that information with their district teams. To join our team, fill out [this form](#).

Assistive Technology

"technology for learning"

SNAP Media

Check out our [lending library](#) for tools and media to support your students' learning. If you don't have an account with SNAP media, please fill out an [account creation form](#).

Upcoming AT Learning Opportunities

Start the Assistive Technology Journey

Grand Rapids, MI - April 24

This full-day training will help your team begin to think about a sustainable, team-based approach to AT as well as to consider the skills and knowledge that the team would need plan how best to develop those skills and knowledge in team members.

Closing the Gap

September 26 - 28

Closing The Gap is a community of passionate and empowered teachers, therapists, clinicians, parents, end users and manufacturers - all emphatically working together to change lives with assistive technology.
