- PC Support Technician
bit.ly/PC-Support-Technician-COA
- Software Specialist
bit.ly/Software-Specialist-COA
- Welding Constant Current (CC) Processes
bit.ly/Welding-CC-Processes-COA
- Welding Constant Voltage (CV) Processes
bit.ly/Welding-CV-Processes-COA
- Word Processing Specialist
bit.ly/Word-Processing-Specialist-COA

Transfer Degrees in Associate of Arts (AA) or Associate of Science (AS)

AA or AS degrees are for students planning to transfer to a four-year university. They require successful completion of a minimum of 62 credit hours.

The options listed below transfer to WMU. If you are considering another four-year university, please discuss this with a KVCC Advisor to see if a transfer agreement is in place for your program of interest. If you are planning to go to a four-year university out of state, the Early/Middle College program may not be in your best interest due to transferability of coursework.

Associate of Arts (AA) Options

- Business Administration
bit.ly/Business-Administration-AA
- Computer Info Systems
bit.ly/Computer-Information-Systems-AA
- Criminal Justice
bit.ly/Criminal-Justice-AA
